

Paulo Freire Social Justice Charter School

Holyoke, Massachusetts

Education and Work Opportunities

Internships (2) Positions Available

The internship is an educational opportunity to work in a unique high school learning environment focused on: college preparation, social justice, and community building. We uphold the philosophy and focus of Paulo Freire and utilize technology, differentiation, and values-based education. It is an opportunity to learn how to craft quality education that fosters individual growth and development and instills a lifetime love of learning.

MINIMUM QUALIFICATIONS:

- In a degree program
- Bilingual- Fluent in both English and Spanish

This is an unpaid position but housing is made available.

Apprentice Teachers (positions available in Math, Physics, Social Studies, and English)

Join a dynamic group of motivated teachers and help build a positive future for a deserving community.

An Apprentice Teacher is an entry level position in which an individual gains experience and skills in the craft of education. The Apprentice teacher teaches two classes and facilitates two study periods each day.

All work is aligned with the school's values, mission, core beliefs, and educational programs. The Apprentice Teacher upholds the dignity of all students, family members, and staff.

Apprentice teachers help to develop informative and engaging lessons to challenge and support their students. With a focus on differentiated instruction and multiple learning styles, the Apprentice Teacher uses a variety of tools, materials, creative projects, discussions,

accommodations, and authentic learning experiences to gain student involvement and build student skills.

Other duties may include:

- Lesson planning
- Curriculum mapping
- Prioritizing teaching methods
- Facilitating and supporting student progress
- Providing opportunities for student input and leadership
- Regular communication with student, parent(s) and school staff
- Preparing material for presentations
- Grading work and conducting progress reports
- Recordkeeping student activities in accordance school policies

MINIMUM QUALIFICATIONS:

- BA Degree
- Student Teaching Experience
- Education and/or experience in Social Justice
- Bilingual- Fluent in both English and Spanish

The Apprentice Teacher is a full-time paid position with both salary and benefits and leads to a regular teaching position.
